

## **Community Based Accountability in College Station ISD A&M Consolidated Middle School**

### **Core Beliefs**

- Each student can be a critical thinker, problem solver and possess the knowledge and skills to be a productive and responsible citizen in a global marketplace.
- The education of each student is the responsibility of the school district, the student, the family and community.
- Student success is dependent on the quality of the CSISD staff.

### **Commitments**

1. CSISD will ...recruit, develop, and retain qualified and dedicated staff

Background: CSISD is committed to attracting the highest quality faculty and staff members, We are blessed to be in a community like College Station that attracts many good teachers and staff members from other areas of Texas and the nation. CSISD annually hires a higher percentage of teachers with successful experience. Teaching positions in CSISD attract a large number of applicants, and we have a lower teacher turnover rate than the state. The 2012-2013 Texas Academic Performance Record indicates that the state turnover rate for teachers was 15.3 percent and the CSISD rate was 13.1 percent.

Once teachers and staff members arrive in CSISD we have a system of professional development that builds upon their knowledge base and helps provide the skills for success in the classroom. New Teacher University (NTU) is a system of professional development in instructional strategies, relationship building and what it takes to be successful in College Station. Teachers new to CSISD have three days of intensive training in August, with two to four follow up days of training and support throughout their first year. CSISD also provides ongoing staff development in a variety of areas for over 900 teachers annually.

	<b>Exemplary (3 Points)</b>	<b>Recognized (2 Points)</b>	<b>Acceptable (1 Point)</b>	<b>Unacceptable (0 Points)</b>	<b>N/A</b>

Average number of applications per number of teaching staff hired	15 to 1 <b>X</b>	10 to 1	5 to 1	Lower than 5 to 1	Campuses use data for grade levels linked

2. CSISD will...provide a challenging, relevant, engaging and aligned curriculum.

Background: The core business of any school district is teaching and learning. In order for students to learn at their highest levels and for teachers to be most effective, a guaranteed and viable curriculum must be in place. CSISD has worked to develop scope and sequences in several areas along with other supporting documents and materials.

Background: Part of providing a relevant and engaging curriculum is providing students choice in their learning. At the elementary through middle school level, choice can be achieved through the workshop method of instruction.

At the high school level the district is actively increasing the types of instructional arrangements for various classes. More and more classes are being taught in a traditional manner and offered in a non-traditional style: Problem-based learning (PBL), Flipped Instruction, Online Instruction, or a blended model.

	<b>Exemplary (3 Points)</b>	<b>Recognized (2 Points)</b>	<b>Acceptable (1 Point)</b>	<b>Unacceptable (0 Points)</b>	<b>N/A</b>

**Background:** A challenging, relevant, engaging and aligned curriculum should help prepare students for success in the classroom. While success in all subjects is important, we have identified several key markers in literacy and mathematics that are crucial for future success.

	<b>Exemplary (3 Points)</b>	<b>Recognized (2 Points)</b>	<b>Acceptable (1 Point)</b>	<b>Unacceptable (0 Points)</b>	<b>N/A</b>
Percentage of students reading at or above grade level at the end of 1st grade	100-90%	80-89%	70-79%	Less than 70%	<b>N/A</b> for 5-12 Campuses

3. CSISD will ...provide an array of services, programs and opportunities to meet the needs of each student, and provide the opportunity for each student to reach his or her full potential.

Background: CSISD provides a number of services programs and other opportunities to meet the unique needs of students. House Bill 5 (83rd Texas Legislature) mandated assessment in some of these areas below. For each area, you will find a brief description of the program and what CSISD provides that exceeds state law or other districts.

Fine Arts (HB5): With the exception of the fine arts elective that is mandated under the graduation plans for our current high school students, fine arts are not mandated by the education code. Nevertheless, CSISD campuses provide many fine arts opportunities for students at all levels.

Elementary students rotate through art and music every week with teachers who are specialists in art and music, not simply classroom teachers. Intermediate students elective rotations include art, music and drama. Fifth graders have the option of orchestra, and sixth graders can choose orchestra, choir or band for the entire school year. Middle school students can choose electives in art, choir, band or orchestra. High school students have all of the other options plus theatre arts, and dance classes.

	<b>Exemplary (3 Points)</b>	<b>Recognized (2 Points)</b>	<b>Acceptable (1 Point)</b>	<b>Unacceptable (0 Points)</b>	<b>N/A</b>
Percentage of elementary (PreK-4) students participating in a fine arts performance (e.g. music, classroom play, art show)	90-100%	76%-89%	50%-75%	Less than 49%	<b>N/A</b> for 5-12
Combined participation rate in Choir, Band and Orchestra at the 5th-8th Grade Level	Greater than 30% of the students take one of these classes	20%-29% of students take one of these classes  <b>X</b>	10%-19% of students take one of these classes	Less than 10% of the students take one of these classes	<b>N/A</b> for PK-4 and 9-12
UIL Team Performance Results in Choir, Band, Orchestra, and One Act Play	At least one state championship or Sweepstakes in more than one area	At least one regional qualifier/ Sweepstakes in at least one area	At least one district champion/ Sweepstakes	No regional qualifier or Sweepstakes	<b>N/A</b> for PK-8

Wellness and PE (HB5): CSISD takes the wellness of each of our students seriously. Our School Health Advisory Committee (SHAC) provides guidance for child nutrition, health and physical education. Our elementary students go to PE daily, and have the opportunity for recess. Intermediate students have a daily class period of PE as well.

Nearly 20 years ago the CSISD community felt that wellness was so important, they mandated that every middle school student must have a full year wellness class that consists of classroom health instruction coupled with physical education activities three days a week. Students who choose to participate in athletics must take a one semester health class during their middle school career.

High school students who take PE have choices that rival many small colleges, including individual and team sports, body sculpting, weight training, step/pilates/pump, outdoor education, dance, even kick ball.

	<b>Exemplary (3 Points)</b>	<b>Recognized (2 Points)</b>	<b>Acceptable (1 Point)</b>	<b>Unacceptable (0 Points)</b>	<b>N/A</b>
Anti-bullying, Cyber-bullying and Dating Violence awareness and education	Consistent/ on-going guidance activities and/or student leadership group to monitor and address issue	Several in-class guidance activities	Campus/Grade level activity  <b>X</b>	Not addressed	
Number of minutes per week in physical activity K-6th grade (PE plus recess)	250 minutes or more	180 to 249 minutes	135 to 179 minutes	Less than 135 minutes	N/A for 7-12  <b>X</b>
Percentage of 7-12th grade students participating in one or more of the following extracurricular activities: sports, marching band, cheerleading and dance team	50% or more	40%-49%  <b>X</b>	30-39%	Less than 30%	N/A for PK - 6

Second Language Acquisition (HB5): CSISD Students at all levels have the opportunity to participate in English as a Second Language (ESL), if they qualify. In grades K-6, the district's Spanish/English bilingual education program is two-way dual language immersion model including Spanish and English Speakers. Support for both groups, including higher level Spanish courses and at least one core subject taught in Spanish, continues into middle school.

CSISD high school students have the opportunity to pursue courses of study in French, German, Latin and Spanish. All four languages have courses through AP level IV. Spanish goes all the way to AP Spanish V.

	<b>Exemplary (3 Points)</b>	<b>Recognized (2 Points)</b>	<b>Acceptable (1 Point)</b>	<b>Unacceptable (0 Points)</b>	<b>N/A</b>

Percentage of students advancing at least one proficiency level (year over year) in TELPAS	K-2: 70% or better 3-12: 70% or better <b>X</b>	K-2: 60-69% 3-12: 60-69%	K-2: 50-59% 3-12: 50-59%	K-2: Below 50% 3-12: Below 50%	

Gifted and Talented (HB5): Students are nominated annually by parents and school staff for testing for G/T. Students who qualify for the program are eligible for pull out services from the enrichment specialist on their campus (K-6th Grade). All students (even those not identified as G/T) have the opportunity for enrichment projects and participation in groups with the specialist in their campus.

G/T students in middle school have the opportunity to take two course electives designed for G/T students: Robotics and Simulation. G/T students in high school are served through advanced placement courses.

G/T identification in CSISD is based on academic indicators only. CSISD teachers earn endorsements in G/T allowing them to differentiate instruction for these students in their classes.

	<b>Exemplary (3 Points)</b>	<b>Recognized (2 Points)</b>	<b>Acceptable (1 Point)</b>	<b>Unacceptable (0 Points)</b>	<b>N/A</b>

21st Century Workforce Development (HB5): CSISD believes that it is vitally important to prepare students for the workforce whether our graduates plan to go straight to work, or to college first. These workforce skills give our graduates the ability to earn money even while pursuing other education opportunities. Our career and technology education department offers numerous career training options in all five endorsement areas of House Bill 5. Many of these career pathways culminate in the opportunity for a certification that can lead right into gainful employment after high school.

	<b>Exemplary (3 Points)</b>	<b>Recognized (2 Points)</b>	<b>Acceptable (1 Point)</b>	<b>Unacceptable (0 Points)</b>	<b>N/A</b>

Number of certifications/licenses earned by students annually	250 or more X	200-249	150-199	Fewer than 150	District Only
Passing rate on certification/licensure exams	90% or greater	80% to 89%	70% to 79%	Less than 70%	N/A

Dropout Prevention (HB5): CSISD is committed to graduating all students no matter if they have been in our district since Kindergarten, moved in during middle school, or re-enrolled after dropping out earlier in their school career. We have number of processes in place to help kids stay in school. Campuses provide remediation in courses, accelerated instruction where students have struggled and credit recovery for students who have failed one or more classes at the semester.

Students behind on credits can participate in summer school, credit by exam and night school. Timber Academy was designed as school for students who are in danger of dropping out or have dropped out previously. Over 89% of Timber students were 17 years old or older on September 1st this year. This qualifies Timber as Dropout Recovery School by the Texas Education Agency.

Five-year federal graduation rate	96% or higher	92.0% to 95.9%	88.0% to 91.9%	Less than 88%	AMCHS Only <b>X</b>

Digital Learning Environment (HB5): CSISD believes that our students must not only have access to technology, but must become fluent in a number of technologies to be successful in college or a career. To help accomplish this, each CSISD classroom has access to student computers, and all instructional spaces have a SMART device: SMART board or Sympodium. We have a wireless overlay of our facilities that makes our Bring Your Own Device (BYOD) initiative possible. We don't ban smart phones, we encourage their use to aid instruction.

Unlike many districts, all elementary students rotate through technology classes throughout the year. Intermediate school students have the opportunity for computer coding clubs at both schools. Middle school students must take keyboarding and computer literacy as a local requirement. High school students have the opportunity to participate in a number of high tech computer and CTE. Beginning a year ago, CSISD developed Success 24/7, a on line learning support portal. This site gives many high school students

access to their teachers' lessons, supporting materials, videos, and assignments. Students in these classes get to access their learning anytime, anywhere (with a WiFi connection).

4. CSISD will ... create classroom and campus cultures that involve each family.

Community and Parent Involvement (HB5):

Background: CSISD provides numerous opportunities for parents and community members to be involved at the district and campus levels. From our campus level VIPS (Volunteers in Public Schools) to PTOs, campus and district site based committees, public hearings, community groups and the CSISD Education Foundation, there are many ways to get involved.

5. CSISD will ... commit to the responsible use of taxpayer dollars.

Background: College Station ISD is a steward of the resources provided by the taxpayers. It is of the greatest importance for the district to be wise, fair, conservative and most of all legal in the use of public funds. It is also a goal to be efficient in the use of the funds where we can be. CSISD is audited annually by an outside accounting firm. We are also rated on a couple of different efficiency scales each year.

	<b>Exemplary (3 Points)</b>	<b>Recognized (2 Points)</b>	<b>Acceptable (1 Point)</b>	<b>Unacceptable (0 Points)</b>	<b>N/A</b>
